# From the *Director's Desk*

Packaging has always been more than just a functional necessity; it is an integral part of a brand's identity and customer experience. At AG Poly Packs, we take immense pride in being the force behind the brands you see and use every day, even though we may not always be in the limelight. Our role is to ensure that every product we package reaches consumers with the highest standards of quality, functionality, and innovation.

With over three decades of experience, we see ourselves not just as manufacturers, but as partners in our clients' success stories. Our journey has been fueled by a passion for excellence, a drive for sustainability, and a commitment to pushing the boundaries of packaging innovation.

As pioneers in the industry, our focus remains steadfast on delivering quality, functionality, and customization that align with our customers' aspirations. We believe that packaging is not just about containing a product; it's about creating a lasting impression.

Nothing gives us more satisfaction than bringing our clients' visions to life through cutting-edge, high-quality packaging solutions. We are excited about the future and look forward to continuing our journey of excellence with you.

## ABOUT US

AG Poly Packs is a leading provider of innovative packaging solutions with over three decades of experience. We serve a diverse range of industries, including Beauty & Personal Care, Home & Household Products, Pharmaceuticals & Healthcare, and Food & Beverage. With a loyal customer base exceeding 4,500 brands, we have built a strong reputation for delivering high-quality, customized packaging that meets the unique demands of each sector.

## QUALITY FULCRUMS

As an ISO-certified organization (**ISO-18001:2007, ISO-14001:2004, and ISO-9001:2008**), we are committed to upholding the highest standards of quality, safety, and environmental responsibility. Our comprehensive quality assurance processes ensure that every product consistently meets and exceeds industry benchmarks and client expectations. Furthermore, our certifications under **BRCGS Issue 6** and **EcoVadis** reflect our unwavering dedication to sustainability, ethical practices, and delivering exceptional value. These accolades underscore our pursuit of excellence across all facets of our operations.

## COMPREHENSIVE MANUFACTURING CAPABILITIES

Our state-of-the-art manufacturing facilities, strategically located across India, are equipped with advanced machinery to deliver end-to-end packaging solutions. We offer a wide range of value-added services, including automatic labeling, hot foil stamping, heat transfer labeling, screen and pad printing, and shrink wrapping.

## INNOVATION-DRIVEN APPROACH

We stay at the forefront of packaging innovation through continuous research and development. Our dedicated Innovation Centre facilitates concept development, 3D visualization, prototyping, and precision manufacturing, enabling us to create unique and visually appealing packaging solutions that help brands stand out in the market.
